

212/598

Remarks

Claims 1 through 20 remain pending in the application.

Claims 6, 9, 12 and 18 are original, and typographical errors in the claims listing of February 12, 2007 have been corrected.

The notice of non-compliant amendment objects to the amendments to claims 12 and 18 under the assertion that new matter is added. The apparent new matter was merely typographical error (substitution of the number "0" for the degree symbol "°"). Applicant did not intend to add new matter, and the potentially new matter is removed by the corrections.
